THE INJUNCTION CASE.—The case of the Adams' Express Company against the Orange & Alexandria and the Virginia & Tennessee Railroads, for an injunction, to prohibit these roads from carrying express matter, except for the Adams Company, thereby excluding the National Express Company from the advantage of transportation by these roads, was before the U. S. District Court, Judge Underwood, sitting in this place, to-day. The case is being argued by Messrs. Wells, and Smith, of Baltimore, for the Adams' Express Company, and by Col. J. B. Baldwin for the National Express Company. Considerable interest is manifested in the case. Before the conclusion of the argument the Court adjourned until Monday.

THE MARKET.—This morning, was very well supplied with country produce; though there was hardly any decline in the prices of any kinds of vegetables. Corn from 12 1/2 to 15 cents per dozen; potatoes 30 cents per peck; cabbages from 5 to 15 cents per head; tomatoes 20 to 30 cents per peck; beets, onions, cymblins and cucumbers are cheap. Butter 35 cents per lb. Eggs 25 to 30 cents per dozen. There are large supplies of apples and pears, at prices according to quality. Lima beans 35 to 45 cents per quart! The vegetables and fruits are generally very fine. The Butchers had good supplies of meats at former prices. There was some good steurgeon on the fish benches to-day, 3 lbs. for 25 cents. The attendance at market, this morning, both of buyers and sellers, was large.

A PLEASURE PARTY.—We are gratified to mention the arrival in our waters, of the Yacht Robert E. Lee, containing a fishing party of Alexandria gentlemen (some sixteen in number) who left their home, on the Potomac, about a fortnight ago on a pleasure cruise, fishing, yachting down the Bay, &c. Their craft is of some forty tons burden, and sails like a flash. The party seem to be having a good time of it, and they have met with expected success in fishing. Since they have been in our harbor, however, they have relied on "the silver hook" for their supply, and have succeeded in catching an abundance of good ones. They left last evening for the fishing grounds on the Eastern shore. They express themselves much pleased with our little harbor. We wish them a prosperous return voyage, and hope their three tons of ice will hold out till they get home.—*Norfolk Old Dominion.*

The Port Tobacco Times says:—"On Saturday last George E. Howard, a young man living near Allen's Fresh, in Charles county, Md., was killed by Wilder Maddox, son of the late John T. Maddox, esq., aged about twelve years. It appears that an altercation arose between the mother of Maddox and Howard, when the latter seized Mrs. Maddox and held her. During the scuffle that ensued young Maddox threatened to shoot Howard if he did not desist and let his mother go. Receiving some defiant answer, the youth leveled his gun and discharged its contents into the side and abdomen of Howard, who died a few hours after."

A COMPLIMENT.—The Prince Georgian in referring to the prompt measures taken by the Sheriff of Prince George's county, Md., in reference to the arrest of the murderers of the late Mr. Lyles says:—"In this connection, it is proper also to mention that very great and deserved praise is due, and is here freely rendered, to Ron. Hugh Latham, Mayor of Alexandria, for the great energy and ability which he has displayed in ferreting out this and other kindred affairs. He has exhibited a degree of omity and official friendliness towards our people which is not likely to be hereafter forgotten."

THE LYLES' MURDERERS.—The Prince Georgian says:—"We learn that the four parties now under arrest, after being brought to this place, solicited an interview with the State's Attorney and the Sheriff, and separately made a full and free confession of the murder and of their respective shares in it.—The account given by each was substantially the same as published in our last issue—except that all five of the parties were at the house, and directly engaged in the murder, instead of one of them remaining at the boat, as was first reported."

MAN SHOT.—In Georgetown, yesterday morning, a man named Michael Reynolds was shot while lurking in a suspicious way, about the premises of Mr. C. C. Ingle, on Washington street. Reynolds had previously been arrested for hanging about the house and yard of Mr. Ingle. The ball entered the left shoulder and passed downward, and is considered very dangerous. It is reported that Mr. Ingle admits that he shot the man while he was within his yard, trespassing.

NO MEETING.—The National Intelligencer says that the proposed Penian Meeting at the barracks, corner of Seventh street and the avenue, in Washington, did not come off last evening by reason of conflict of authority between those representing the Soldiers' and Sailors' Association, and the lady managers of the fair. Under the circumstances, it is stated that the Mayor determined that no meeting should be held, as some difficulty might possibly arise.

THE CABINET.—Hon. James Harlan resigned his commission as Secretary of the Interior yesterday afternoon, the resignation to take effect on the first of September next. Hon. O. H. Browning, of Illinois, has been appointed Mr. Harlan's successor.
